YALE. New-Haven, Feb. 9.-W. W. Farnam, the urer of the university, and L. H. Bristol, attorney for the Yale Corporation, paid a visit to Hartford last Tuerday to make another effort to collect the award of \$151,000 by the Arbitration Committee in the Storrs controversy, from the State Treasurer, Mr. Hodge. Mr. Hodge agreed to pay over the amount as soon as the injunction was removed restraining him from paying the money either to Yale or Storrs College. The counsel for Yale then appeared before United States Commissioner Marand in the afternoon Mr. Bristol received from Controller Mead a check for the amount awarded

UNIVERSITY OF PENNSYLVANIA.

some interesting experiments with Professor illout-gen's photographic discovery. The results of his experiments have been highly successful. Ellis Ward has been chosen to coach the crews.

Ellis Ward has been chosen to coach the crews, and will enter upon his duties at once. The Howing Committee has had no little difficulty in selecting a coach, the objection to Wart being that he sold out Pennsylvania in 182, going to the Manhattan Athletic Club and taking the crew with him. This was proven to be untrue, and all objections were removed. Ward was the coach when Pennsylvania was most successful on the water, and it is confidently hoped that another era of successes is in view. The candidates seem to be in sympathy with

HAMILTON.

Clinton, N. Y., Feb. 2.-At a recent meeting of the Young Men's Christian Association David II. Davy, '37, of St. Johnsville, was chosen as presilent of the association.

regular winter meeting of the board was held in the same place.

The report of the president of Wellesley for 1894-5, together with an online of the organization for the first semester of 1855-96, has just been issued.

Since 1893-81, when the college closed its preparatory department and offered collegiate work only, the number of its students has doubled, the teaching force has more than doubled, and the buildings have increased from two to twelve in number. In 1854-35, 789 students were registered. An appeal is made for more dormitaries to accommodate the rapidly increasing number of students who are now compelled to lodge in the village. The pressing need of a new chapel is emphasized by the fact that the students of Stone Hail, nearly one hundred in number, are now compelled to hold chapel exercises in the parlor of that building.

MacCracken, Mrs. James Boyd, Mrs. Laurence A. McLouth and Mrs. Israel C. Pierson.

A petition which has recently been presented to the city authorities by residents of Morris and Fordham Heights, asking them to open a street which would cut through the university campus, has been rendered useless by a bill passed by the Senate at Albany last week prohibiting any action by the city on such a petition. Had the petition been granted, the campus would have been divided and the situation of some of the buildings would have had to be changed.

Dr. E. G. Shier delivered the sixth lecture in the series of faculty lectures last Monday evening on "The Sweetness and Strength of Classic Foetry." The Executive Committee of the Athletic Association has selected as delegates to the Intercologicate Convention on February 2 Chester F. S. Whinney, "S. James A. McCague, "S. and William Hudson, "S. The committee has also elected Edwin L. Garvin, "S. manager of the football team for next season."

NORMAL COLLEGE. An interesting report of the Associate Alumnae

of the Normal College has just been printed in The News," The association has a membership of 1,300, of whom 150 have been enrolled since June. members are engaged in work of all kinds, some are lawyers, some doctors, artists, writers, prin-cipals and teachers in the public schools. The alumnae library, which was founded and maintained by the association, contains over 4,000 books, of which 3,600 have been in circulation during the current year. The library is in the college building. A settlement work is carried on by the association in the Alumnae House in East Seventy-second-st. The house has two residents, emports a library and a flourishing kindergarten, with cooking and sewing classes, and offers various entertainments helpful to older members of the families from which the kindergarten children come. Although the association is essentially a working body, the necessity of the purely social meeting is fully recognized. The officers receive the members and their friends once a month in the library, and two reunions are held each year, at which addresses are made by people of prominence interested in the work. The February 'at home' will be held on Friday, which is the twenty-sixth anniversary of the college. All the ex-presidents of the association have been invited to pour tea. of which 3,600 have been in circulation during the

The first elition of "The Navier" for this year
was issued last week. It contains a number of
bright articles by the students and the current
news of the college.

POLYTECHNIC INSTITUTE. The midyear examinations have been brought to a satisfactory conclusion and the new term opened last Monday morning with the announcement after chapel by President Cochran that the percentage

chapet by President Cochran than ever before in the history of the college.

Throughout the setentiale departments of the Polytechnic great interest has been manifested in the recent discovery by Professor Rönigen of the new photography by means of the so-called cathods ray. Messrs. Waterman and Ackermann, both gradunte students, have succeeded in obtaining gratify-ing results in experiments with the new photography. The bones of a hand were photographed with in the flesh, as has been done at Columbia and abroad, and attention will now be turned to pro-ducing a plate more sensitive to the ray than is the

ordinary photographic plate. ordinary photographic plate.

The annual midwinter dance of the senior class was held on Friday evening. A reception was tendered in the Spicer Memorial Library, and the ball tiself took place in the commodicus gymnastum from which the apparatus had been removed for the occasion. The committee in charge of the affair consisted of Messrs. Sherwood, Muller, Cameron, Sherman, and Putnam, chairman.

STEVENS INSTITUTE. The midwinter meeting of the Alumni Association will be held on Wednesday evening, February 19, in the Hall of the Stevens School. It will be purely a social affair. The musical clubs will fur-nish part of the entertainment and there will be several addresses by prominent alumni. The usual dinner will be served.

The freshmen held their annual dinner at the The freshmen held their annual dinner at the Hotel Marlborough on Thursday evening. F. W. Le Porin, Jr., acted as toastmaster.

A large part of the senior class went to Philadelphia on Thursday with Professor Denton. It was the second inspection trip this term. The class will return on Monday.
